

GUILDFORD PUBLIC SCHOOL NEWS UPDATE

Thursday 26 August 2010

MESSAGE FROM THE PRINCIPAL

Dear Parents and Guardians,

OUR SPECTACULAR

I know many of you were at the Opera House last Thursday evening and witnessed firsthand the strength of Public Education in the Our Spectacular 'Ten Great Years' production.

It was a special thrill for me to see the Guildford students in the massed Choir and hear the superb singing. The senior Dance Group's performance of 'Get'cha Head in the Game' from High School Musical was absolutely outstanding. Much credit and thanks must be given to Ms Walpole the choreographer Miss Ali Khan and Mrs McGrath for their support with practicing. Mrs Hemming did a marvelous job training the choir.

The teachers also supervised and assisted the

students all day and night and ensured they arrived home safely.

Thanks to all the parents for their support and to Mrs Cullen for the wonderful help with the Dance Group costumes.

What an outstanding night! (*see picture below*).

ZONE ATHLETICS CARNIVAL

Last Thursday 34 students attended the **Zone Athletics Carnival**.

These children were the champions of our school athletics carnival and were representing our school at a competition against other schools in our district.

They really outdid themselves with a tremendous combined and individual effort and performance. Overall our school came in 4th place which is an outstanding result. Many thanks to Mr Crowther (Sports Coordinator) and Miss Lee for her support

on the day.

These results indicate that Guildford Public School is making pleasing progress in physical education, with a much improved performance compared to recent years. Our message about keeping fit, exercising and eating correctly is hopefully partly responsible.

JUNIOR BOYS CHAMPION

Congratulations to Michael Asabre of class 3/4Clarence. Michael was Junior Boys Champion across all schools at the recent Zone Athletics Carnival.

Perhaps a future Olympic Champion. Who knows? Keep training Michael and all the students. The future is in your hands!

SWIMMING SCHEME

Over the next two weeks (from 30 August to 10 September) 200 students will participate in this

very important opportunity to learn to swim or develop swimming skills.

Students will walk daily to Guildford Heated Pools, for an hour's lesson. Please ensure students attend every day (unless sick). Students will have the opportunity again next year to participate in the Learn to Swim Program.

Have a great fortnight!

SICK BAY

Parents are reminded that sick bay at school is for sick or injured children ONLY. It is a temporary place for students to rest and recover and then return to class or for students to wait until parents can pick them up if contacted. Children should not demand to go home when they come to sick bay. They will be assessed and observed before parents are contacted. We do not have the facilities to accommodate children that think they can rest there when it's too hot, too cold or they have an injury they received three

Auburn Zone Athletics Carnival 2010

On Tuesday the 17th August, a team of 34 athletes from Guildford Public School competed at the 2010 Auburn Zone Athletics. The students did our school proud, with competitors representing our school in all events held on the day.

All students competed well and contributed to Guildford Public School finishing fourth out of twelve schools in our zone at the conclusion of the day.

This is an outstanding result considering the small size and number of students at our school, when compared to many others in our zone.

An outstanding performance by Michael Asabre in all areas, led to him being named Junior Boys Athletics Chpion for 2010.

A special mention must go to the eight students who will be representing Auburn Zone at the Regional Athletics Carnival next month.
